

AAU BASKETBALL

NORTHWEST JERSEY BRUINS

LEARN and IMPROVE

The Northwest Jersey Bruins has a “no cut” policy as our goal is to improve the play of all our athletes to the point where they can make a High School basketball team. We have elite teams that will participate in state wide tournaments and basic skill teams that will get fundamental instruction and scrimmage teams of similar ability. The season is April-June where some of our teams will continue in tournaments throughout the summer. It is understood that winning is a by product of hard work and dedication. Our primary objective however is not winning per se but to “LEARN and IMPROVE”.

We promise to be supportive, positive and encouraging. In turn we ask our players to be dedicated, hardworking and attentive. We will not tolerate unruly or insubordinate behavior. This team is for serious players who want to excel at the sport. It is not a casual recreational experience.
